

JACQUELINE HUDSON

BRITISH-AMERICAN TELEVISION & MEDIA PROFESSIONAL

PROFILE

Portland-based British-American television presenter, media professional and editorial writer with a 30-year career spanning lifestyle publishing, original documentary, communications, brand development and audience engagement. Combines polished on-camera delivery with research, scripting, guest and client communication, digital content strategy and calm executive judgment.

RELEVANT EXPERIENCE

Writer, Presenter & Independent Producer

2026

Caravaggio and the Invention of Cinematic Light | Short-form documentary

- Researched, wrote and presented an original cultural documentary examining Caravaggio's use of light and its relationship to cinema.
- Developed the editorial thesis, narrative structure, presenter script and visual storytelling approach for a general audience.
- Translated specialist material into clear, engaging and accessible on-camera storytelling.

Independent Media & Content Executive

2018-PRESENT

Media strategy, communications, brand development and production

- Develops integrated content across web, editorial, video and social platforms for distinct audiences and brand objectives.
- Creates scripts, editorial features, campaign narratives, presentations, headlines and digital content.
- Directs creative concepts from research and story development through coordination, visual review and publication.
- Works directly with clients and collaborators while balancing multiple priorities and production timelines.

Editorial Media Writer & Content Professional

17 YEARS

Mode Media and independent editorial platforms

- Produced lifestyle, culture, beauty, fashion, luxury and human-interest editorial content.
- Turned research, interviews and brand themes into accessible stories with compelling angles and headlines.
- Built long-term expertise in story selection, digital publishing, editorial judgment and audience engagement.

SELECTED MEDIA & PRODUCTION WORK

Presenter, Host & Content Developer

SELECTED WORK

Television, documentary, cultural and branded media

- Develops and delivers researched and scripted on-camera material across documentary, cultural, commercial, beauty and luxury subjects.
- Brings a polished British-American presence, strong camera awareness and clear, authoritative delivery.
- Supports projects through concept development, research, scripting, brand alignment, visual planning and presenter preparation.
- Represents creative and commercial ideas confidently in client-facing and public-facing settings.

Voice-Over Artist

SELECTED WORK

Cinematic, documentary, narrative, beauty, fashion and luxury media

- Provides cinematic narration, narrative storytelling and refined commercial delivery in British and American English.
- Offers selected French-accented English and French-language delivery for international or character-led briefs.

CAREER FOUNDATION

Began a professional media-facing career in Britain in 1996, with early commercial modeling experience connected to Highland Spring's Face of '96, Storm Model Management, Damners Model Agency in Bristol and later interest from Elite Model Management London. This foundation developed lasting expertise in camera awareness, visual communication, fashion and beauty imagery, luxury positioning and commercial production environments.
